# THE Bar

## FLEXIBLE, AFFORDABLE & CUSTOM

At B & B we are a BYOB venue! This means, you can create a fully customized beverage menu to suit your tastes and budget, without hefty restrictions like minimum spends, mandatory open bar packages, or costly required gratuities!

You have more choice when it comes to bar service!

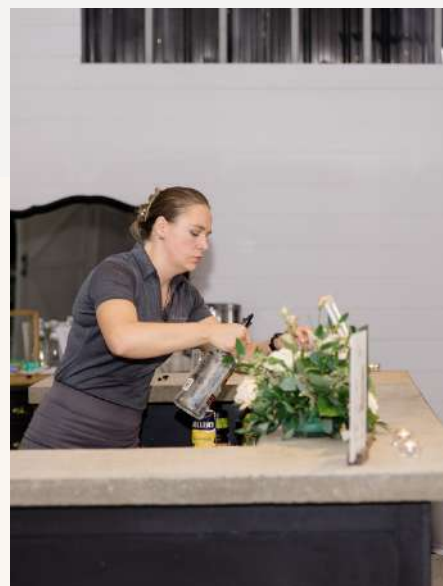

You can book freelance bartenders for \$250 + hst per bartender. We will reserve 1, 2 or 3 staff as needed for you based on guest count + menu.

OR

You can book privately through **Ottawa Mobile Bar** for a more all inclusive service! OMB will help with custom menu planning, alcohol estimates, and provide all mixes and garnishes on top of your wedding day staffing needs- you still supply the alcohol!

### Regardless of which service you choose, you still:

- bring all of the alcoholic beverages you want served on your predetermined rehearsal time frame, the Thursday before your wedding, and we help stock it in our fridge. If you are simply requesting freelance bartenders, you must also supply all mixes and garnishes needed for your menu on your rehearsal!
- set drink prices as you see fit, to recoup costs or make some money if you wish - the venue provides a debit/credit machine for your event or you can provide a cash till, & funds collected are remitted to you in full via EMT. OR, opt to have a fully open bar for your guests at a fraction of the cost of other venues. A combo of the two above options is also cool!

## THE DETAILS

- we provide ample refrigeration space in our walk in fridge for all of your products. Homemade wines are permitted, but you are not permitted to sell it,
- simply **obtain a SALE or NO SALE permit** through AGCO online in minutes in the month or two before your big day, and provide proof to the venue (\$150 or \$50 respectively)
- **obtain 1 day host liquor liability insurance policy** through DUUO or provider of choice ( can be obtained online in minutes at an avg cost of \$100-\$150) Provide proof to the venue.
- Bar staff fully set up our bar and prepare your custom drink selections, and serve with style! You pickup any and all leftovers the next day from the fridge. Easy!
- **1, 2 or 3 bartenders are required to be on site for your event based on guest count**, and will be reserved by booking Ottawa Mobile Bar ( couple to book privately), or via freelance bartenders the venue will reserve for you on your behalf Simply let us know your selection 9 months before your big day please!
- **ice, cocktail napkins, paper cocktail straws and plastic bar cups are provided by the venue for all events. Unlimited coffee and tea selections are also provided, along with iced water and cups ( self serve)**
- **glassware can be used at the bar until 8 pm, and can be rented by yourselves or through the venue on your behalf, if desired. \*Most couples do not rent glassware for the bar, however it is up to you.\***

# THE DJ's

A SHORT LIST PHENOMENAL & TRUSTED  
DJ'S TO PROVIDE THE BEST  
ENTERTAINMENT FOR ALL OF OUR  
COUPLES!

In 2025, all of our couples must choose one of our preferred DJ's for their services, for at minimum 8 pm onwards on their wedding day.

Couples are free to choose to play their own playlist for ceremonies, cocktail time, and dinner should they wish, or have any live entertainment of their choosing till 8 pm.

Our venue has selected these DJ's as they are the most respectful of normal wedding *PARTAY* levels, without turning your wedding into an outdoor EDM festival! They all know how to party and have fun, but more importantly all know how to ensure YOU and your guests have the best night.

***We truly do recommend hired music services for the duration of your event. Should you wish to simply play your own playlist till 8 pm, we can assist with cuing ceremony songs, but we do not manage any other song selections for the remaining time till your DJ arrives.***

***We do provide all dj quality AV equipment for all events, including 2 wireless mics, podium, indoor and outdoor speakers and party lights for the dance party!***

Couples are required to notify the venue of their booked musical &/ DJ services by 90 days before their wedding day.
