HOW IT WORKS

As a Bleek's couple, the following are your responsibilities when it comes to your bar:

- Bringing all of the alcoholic beverages you want served at your bar on your predetermined rehearsal time frame the Wednesday afternoon/evening before your wedding. We help stock it in our fridge for safe keeping till your big day!

- Set drink prices as you see fit, to recoup your alcohol costs or make some money if you wish! Our venue provides a debit/credit machine for your event, and you can provide a cash float for cash sales. (Bleeks has ZERO fees associated with our bar - no mandatory gratuities for staff, corking fees or anything of the sort) OR, you can opt to have a fully open bar for your guests at a fraction of the cost of other venues! A combo of the two above options is also a great plan! Many of our couples offer open bar during cocktail time, complimentary wine from the dinner tables for guests, and then switch to $2-$6 drinks from the bar at 8 or 9 pm, for the balance of the night.

- Obtain a SALE or NO SALE liquor permit through AGCO online in minutes in the month or two before your big day, and provide proof to the venue min 2 weeks prior to your wedding.($150 or $50 respectively based on your bar plans) Bar manager provides assistance as you need!
